

HOW TO SET UP YOUR BLACKBERRY FOR WIRELESS USAGE

STEP 1

Look for wireless mac address:

BB button → Options  → Status → Wlan MAC

It should look something like this: 00:24:7K: HG: 1K: 3L

STEP 2

Once you have obtained you mac address make a note of it, bring the phone with Wlan MAC to the IT Student House (7 Joubert Street Stellenbosch) and stand in the registration line.

STEP 3

Once the phone is registered, please complete the identity rules and regulations form on one of the computers at the IT Student house.

Alternatively: Log on to any University computer and enter the following details into the address bar https://students.sun.ac.za/it/netcard_register/ and complete the registration online.

STEP 4

Once you have completed all of the above, enable the Wi-Fi on the device:

Click the BB button  → manage connections  →select Wi-Fi 

→ Select “WI-FI Options” → select active Wi-Fi → BB Button and select “New”

Follow instructions and select Maties Wi-Fi

STEP 5

To test the connection turn off your mobile network and only leave Wi-Fi on. Browse to www.mymaties.com. If the website pops up you are almost done. You will be able to gain access to all university sites. To access any other site you first need to open NXinetkey in order to go through the university’s firewall. Type in the following URL: <https://fw.sun.ac.za:950> in your browser. The site show you a certificate checkpoint. Click “Continue” you will get the following screen:

Client Authentication

User:

Submit

Enter your student number and click “Submit”

Client Authentication

password:

Submit

Enter your password and click “Submit”

User 15491994 authenticated by Radius authentication

Methods

- Standard Sign-on
- Sign-off
- Specific Sign-on

Submit

And lastly select Standard Sign on and “Submit”

To test your connection now go to browser and type anything into the “Google search”. If you can access any site, your wireless has been set up successfully.

TROUBLESHOOTING

Please make sure when you’re busy with a connection that you are connected to either a Wi-Fi hotspot. On campus there are 2 wi-fi connection:

1. Maties Wi-Fi (all around campus please see Wi-Fi map)
2. Commons (Situating in the library learning commons)
