

Change Registration Guide:

Step 1: Ensure that your device is connected to "Maties Wifi" or connected via LAN Cable.

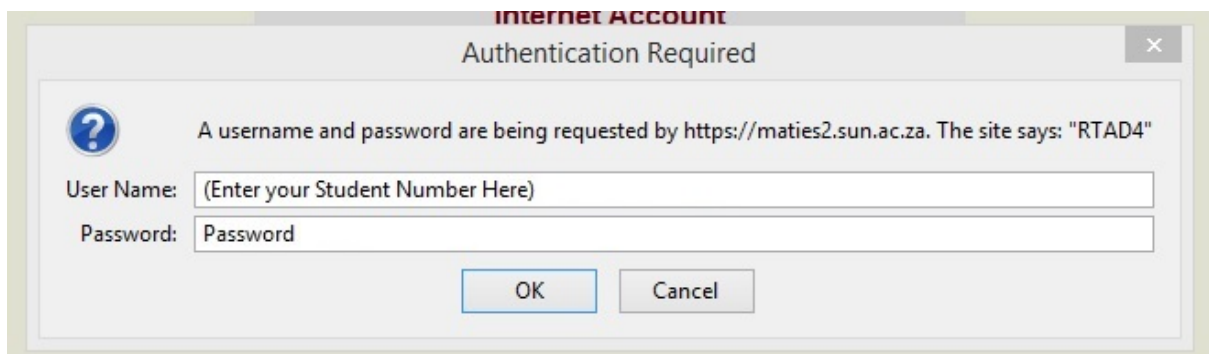

Step 2: Open up your web-browser (I.e. Internet Explorer, Mozilla Firefox, Google Chrome etc.)

Step 3: Enter the following web address: <http://students.sun.ac.za/>

Step 4: Click on Change Network Registration

Step 5: Enter your Student Details (Student Number & Password for Authentication)

Step 6:

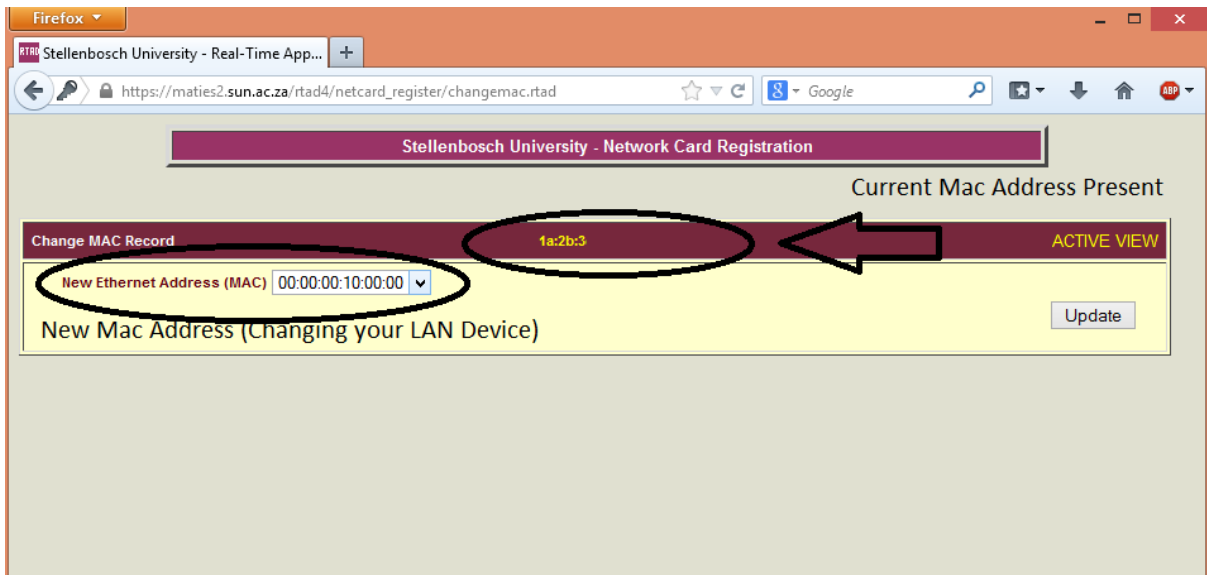

Option A (Changing New LAN Registration)

- Click on "Change" – Under Mac Address

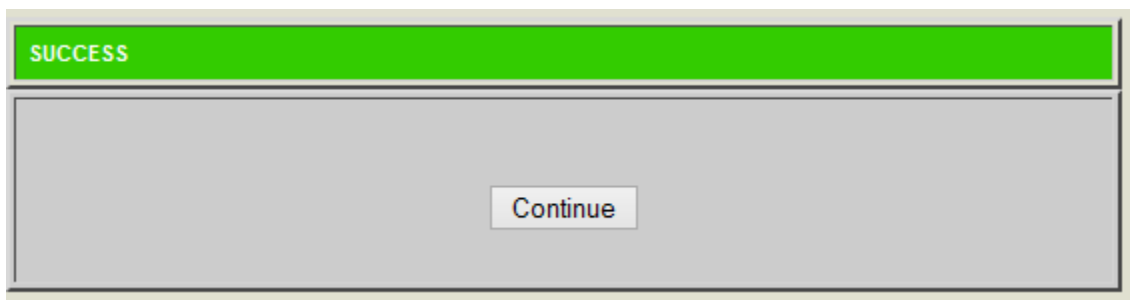

MAC Address	Building	Host Name	DHCP	VLAN
72:00:00 <input type="button" value="Change"/>	ACADEMIA BLOK 12 <input type="button" value="Change"/>	sun.ac.za <input type="button" value="Change"/>	Activity: Time: Via:	Action: Isolate Time: 2014-03-27 10:54:31 Reason: MAC could not be located on network Status: No ARP traffic generated from MAC
b8:e8:56 <input type="button" value="Change"/>	UNKNOWN <input type="button" value="Change"/>	s183 vitl.sun.ac.za <input type="button" value="Change"/>	Activity: DHCP_ACK Time: 2014-03-23 12:09:11 Via: 10.110.0.1	Action: Time: Reason: Status:
b8:e8:56 <input type="button" value="Change"/>	UNKNOWN <input type="button" value="Change"/>	matieswifi.sun.ac.za <input type="button" value="Change"/>	Activity: DHCP_ACK Time: 2014-03-23 12:09:11 Via: 10.110.0.1	Action: Time: Reason: Status:

- You will then be transferred to a new web page, where it will display your current MAC Addresses (The Network Address of your Device)
- And it will give you the option to SELECT a NEW Preferred LAN Address (New Ethernet Address (MAC)).
- Once Selected Click "UPDATE"

- Once then it will be changed successfully!!!

Option B (Changing of Residence)

- Click on "Change" – Under Building
